What You Need to Know

The credit scores provided are based on the VantageScore 3.0 model. For three-bureau VantageScore credit scores, data from Equifax, Experian, and TransUnion are used respectively. Any one-bureau VantageScore uses Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.

(1) Locking your Equifax or TransUnion credit report will prevent access to it by certain third parties. Locking your Equifax or TransUnion credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax or TransUnion credit report include: companies like ID Watchdog and TransUnion Interactive, Inc. which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state, and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of preapproved offers, visit www.optoutprescreen.com. (2) The monitored network does not cover all businesses or transactions. (3) The Integrated Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Identity Rehab Corporation. (4) Monitoring from Equifax will begin on your plan start date. TransUnion and Experian will take several days to begin after you create an online account. (5) There is no guarantee that ID Watchdog is able to locate and scan all deep and dark websites where consumers' personal information is at risk of being traded. (6) The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions. Review the Summary of Benefits (www.idwatchdog.com/terms/insurance). (7) May be subject to delay or change. To review ID Watchdog Terms & Conditions, go to idwatchdog.com/terms.
